At a meeting of the Committee, three shall form a quorum. The seat of any member of the Committee or Handicap Committee who shall be absent from three consecutive meetings of his Committee, or who shall signify to the Secretary his desire to resign, may be declared vacant by the Committee, which may, at its discretion, appoint a successor, who shall hold office only until the next ensuing Ordinary General Meeting. The Committee may delegate to a Committee to be elected by the associate members such powers with regard to associate members as the Committee may think fit.

Election of Office-bearers.

3. The President, Vice-President and Captain, at least two members of the Committee, and all the members of the Handicap Committee, shall be elected annually at the Ordinary General Meeting. Two members of the Committee, who shall be selected in such manner as the Committee shall direct from amongst those who have been longest in office, shall retire at every Ordinary General Meeting. Retiring office-bearers shall hold office until the appointment of their successors, and shall be eligible for re-election.

Annual Meeting.

4. An Ordinary General Meeting of the Club shall be held annually on such day as the Committee shall appoint in the month of April, at which the Committee shall present a report, and the Treasurer shall submit a statement of accounts, and any business may be brought forward by the direction of the Committee. Seven days' notice of such meeting shall be posted to each member and associate member.

Special General Meetings.

5. A Special General Meeting may be called at any time by the Committee, and seven days' notice of such Meeting, and of the business to be brought before it (to which discussion shall be strictly confined), shall be posted in writing by the Secretary to each member and associate member.

Election of Members.

6. Every candidate for membership or associate membership shall be nominated by two members, or associate members, in writing addressed to the Secretary. The election of members and associate members shall be by the Committee, in such manner as it shall direct.*

Expulsion.

11. The Committee, at a meeting at which not less than four shall be present, may, by resolution, the voting upon which shall be in such manner as the Committee shall direct, expel any member from the Club, if, in the opinion of those present, he, by his conduct, shall have rendered it undesirable that he shall continue to be a member; provided that no such resolution shall be passed except at a meeting of which at least seven days' notice in writing, stating the nature of

4

the business to be transacted, shall have been posted to each member of the Committee, and to the member whose conduct it is proposed to consider, who shall have the right of being heard by the meeting.

Absentee List.

12. The Committee may place on an Absentee List the name of any member intending to be absent from his usual place of residence for a year or upwards. Every member whose name is on the Absentee List shall pay half the amount of every annual subscription which shall become due during the time that his name shall be upon such list; provided that the Committee may at any time, if such member shall return to reside within ten miles of the Club Links for the time being, remove his name from the Absentee List, and such member shall thereupon become liable to pay the balance of the ordinary annual subscription for the year then current.

committee's report and balance-sheet were adopted and disclosed a most satisfactory position of affairs. The full membership prescribed by the rules had been reached, and several gentlemen had been nominated and were waiting for vacancies to occur. The balance-sheet showed: Receipts, £137/1/-; disbursements, £117/7/11, leaving a credit balance of £19/18/2. The election of office-bearers resulted as follows:—President, Mr. H. F. Barton; vice-president, Mr. J. W. Hope; captain, Mr. F. A. A. Russell; committee, Messrs. P. Allan, V. Le Gay Brereton, E. F. Broad, H. R. Lysaght, and W. A. Windeyer; handicapping committee, Messrs. Mr. W. A. Windeyer's resignation as honorary secretary was accepted with great regret. In proposing a vote of thanks to him, the president and others referred to the good work Mr. Windeyer had done during his term of office, the success of the club being to a very large extent attributable to the efficient and energetic manner in which he had carried out the duties. A resolution was unanimously carried that he should be elected a life honorary member of the club. Mr. Windeyer, whilst acknowledging the honor done him by passing this resolution, said that it was to the best interests of the club that he should decline, in order to prevent a precedent being established.

It was announced that the following additional trophies had been presented for competition during the season:—By the president, trophies to winners of scratch competitions; Mr. Robert Smith, trophies for each of the competitions open to associate members. The associate members have also notified their intention of presenting a trophy to be competed for by the members. Messrs. Chapman and Mackenzie, of Victoria, two veteran players, who for a short time were honorary members of the club, presented a leather bag and set of six clubs to be competed for by members, in two competitions of 36 holes against bogey, handicaps limited to 12 strokes, and the winner to be up on bogey, otherwise the prize to be competed for again.

HUNTER'S HILL CLUB.

The first annual meeting of the Hunter's Hill Club was held at the Council Chambers, Hunter's Hill, on Wednesday, the president, Mr. H. F. Barton, in the chair.

The committee's report and balance-sheet were adopted and disclosed a most satisfactory position of affairs. The full membership prescribed by the rules had been reached, and several gentlemen had been nominated and were waiting for vacancies to occur. The balance-sheet showed: Receipts, £137/1; disbursements, £117/2/11, leaving a credit balance of £19/18/2.

The election of office-bearers resulted as follows:—President, Mr. H. F. Barton; vice-president, Mr. J. W. Hope; captain, Mr. F. A. A. Russell; committee, Messrs. H. Allen, V. Le Gay Brereton, D. F. Broad, H. R. Lysaght, and W. A. Windeyer; handicapping committee, Messrs. Allan, Fitzgerald, and Windeyer. The honorary secretary will be elected by the committee, but it was announced that Mr. H. R. Lysaght had accepted the position, subject to its confirmation.

Mr. W. A. Windeyer's resignation as honorary secretary was accepted with great regret. In proposing a vote of thanks to him, the president and others referred to the good work Mr. Windeyer had done during his term of office, the success of the club being to a very large extent attributable to the efficient and energetic manner in which he had carried out the duties. A resolution was unanimously carried that he should be elected a life honorary member of the club. Mr. Windeyer, whilst acknowledging the honor done him by passing this resolution, said that it was to the best interests of the club that he should decline, in order to prevent a precedent being established.

It was announced that the following additional trophies had been presented for competition during the season:—By the president, trophies to winners of scratch competitions; Mr. Robert Smith, trophies for each of the competitions open to associate members. The associate members have also notified their intention of presenting a trophy to be competed for by the members. Messrs. Chapman and Mackenzie, of Victoria, two veteran players, who for a short time were honorary members of the club, presented a leather bag and set of six clubs to be competed for by members, in two competitions of 36 holes against bogey, handicaps limited to 12 strokes, and the winner to be up on bogey, otherwise the prize to be competed for again.

HUNTER'S HILL GOLF CLUB.

The second annual meeting of the Hunter's Hill Golf Club was held on Wednesday night at the council chambers, Hunter's Hill. Mr. H. F. Barton was in the chair, and there was a good attendance of members and associate members. The chairman, in moving the adoption of the report and balance-sheet, congratulated the members on the continued success of the club. The roll of members and associate members had been fully maintained, and several candidates for membership were still on the waiting list. The balance-sheet disclosed a strong financial position, and the condition of the links had been greatly improved during the last 12 months. A number of trophies had been promised for competition during the coming season. The election of office-bearers resulted as follows:—President, Mr. H. F. Barton (re-elected); vice-president, A. J. Stopps; captain, Mr. F. A. A. Russell (re-elected); handicapping committee, Messrs. Allan, Fitzgerald, and Windeyer (re-elected). The retiring members of the general committee, Messrs. Broad and Windeyer, were re-elected. The honorary secretary is elected by the general committee, but it is understood that Mr. H. R. Lysaght will be asked to retain the position.

AMATEUR CHAMPIONSHIP OF N.S.W. AND HAMPDEN CUP.

The match for the amateur championship of New South Wales, which carries with it the right to hold the cup presented by Lord Hampden, was commenced at the links of the Royal Sydney Golf Club at Bondi on Saturday, and will be concluded on the Australian Golf Club's links at Botany next Saturday. A special bogey for both links was decided upon, that at Bondi being reduced from 83 to 78, and at Botany from 87 to 83. The weather for the opening day's play was perfectly calm, and was altogether in favour of good golf. Considerable interest was taken in the play which on the day resulted in a good lead being established by Mr. E. P. Simpson, who proved to be in fine form, especially in the morning, when he did the round in two up. In the afternoon he failed to reach his record of the morning, being two down, which leaves him square on the two rounds. His cards were 76 and 80. Mr. Simpson's morning round was the best for the day. The nearest to the present leader was Mr. H. Macneil, who tied with Mr. Ross for the best after lunch return with one up, but both players suffered by their want of success in the morning, Mr. Macneil being five down, and Mr. Ross, who runs third, eight down. The latter created quite a favourable impression by his display in the second round. The holder of the championship, Mr. E. J. B. Macarthur, was a lot below his form. In the morning he was four worse than bogey and five in the afternoon, and it is scarcely possible for him to improve sufficiently at Botany to wipe off the lead secured by Mr. Simpson. Messrs. H. W. Fairfax and E. D. Blomfield each played a fairly good game in the morning round, and improvement in the afternoon might have let them in with a good chance next Saturday; but they failed to do better than 10 and 8 down respectively. The following are the details:—

	Morning.	Afternoon.	Result.
E. P. Simpson ...	2 up	2 down	square
H. Macneil ...	5 down	1 up	4 down
H. Ross ...	8 down	1 up	7 down
E. J. B. Macarthur ...	4 down	5 down	9 down
E. D. Blomfield ...	3 down	8 down	11 down
H. W. Fairfax ...	3 down	10 down	13 down
F. A. A. Russell ...	7 down	6 down	13 down
H. B. Gritton ...	5 down	11 down	16 down
E. Fraser ...	13 down	4 down	17 down
E. R. Graham ...	13 down	5 down	18 down
C. A. White ...	12 down	6 down	18 down
I. Kidd ...	10 down	9 down	19 down

C. R. Burnside ...	8 down	12 down	20 down
E. M. Stephen ...	14 down	8 down	22 down
Dr. Brathwaite ...	14 down	9 down	23 down

The championship and Hampden Cup started in 1898, when Mr. H. Macneil won. In 1899 he repeated the performance, but last year the honour was secured by Mr. E. J. B. Macarthur. Curiously enough Mr. E. P. Simpson was second on each occasion.

GOLF.

CHAMPIONSHIP OF NEW SOUTH WALES AND HAMPDEN CUP.

The competition for the amateur championship of New South Wales, which carries with it the right to hold the cup presented by Lord Hampden in 1898, was brought to a conclusion on Saturday. The first two rounds were played on Saturday-week at Bondi, and the last two at Botany on Saturday, and the result was a win, for the first time, by Mr. E. P. Simpson, whose return at Bondi was "all square," and at Botany, where the bogey was specially reduced from 87 to 83, 9 down. Twice the new champion was runner-up to Mr. Macneil and once to Mr. Macarthur, so that his present success is well merited. The lead gained at Bondi, where he had a rather good advantage over his nearest opponent, Mr. Macneil, who was four down, pretty well settled the championship, but Mr. Simpson also returned the best gross result at Botany, as well as the best individual round at each course. Though Mr. Macneil played up well on Saturday afternoon as indifferent morning round put him out of court; a good first round would have imparted considerable interest to the play, as Mr. Simpson lost in the afternoon some of the good form shown in the previous stages. Mr. Ross did well in the first round, but the bad luck which attended Mr. Macarthur, the previous champion, at Bondi, stuck to him at Botany. The results were:—

were	Bondi.		Botany.			Gross Result.
